

Student Internship Evaluation

Student _____ Date _____

Mentor _____ Company _____

1. Were you paid for your internship? If not, did it influence your internship experience?
2. Did you feel overqualified or under qualified for the internship? Explain.
3. During the internship, you may have discovered some skill, training, or activity that would be appropriate for inclusion in one of your Academy classes. If so, briefly describe how it should be included and what class seems most suitable.
4. If you could make one change in the internship program, what would it be? Explain.
5. Are you aware of how your mentor evaluated your performance? If so, do you agree with their assessment? If you are unaware of their evaluation, how do you think they will judge your work?
6. Did the mentor provide you with one or more specific assignments for your internship?
