Fish Camp 2022

This year marked the return to in-person Fish Camp! Academy staff and parents accompanied 72 Fish and 38 Fish Camp Counselors to Forest Glen for two fun-filled days in the woods. Incoming ninth grade students learned about the Academy through experiential activities that fostered Teamwork, Responsibility, Integrity, and Perseverance. Students had the opportunity to get to know their cohort and some upper classmen in addition to the Academy staff. Thank you to the amazing parents that joined us in this adventure!
