NEWCLIPPINGS

Dr. Susan Caffery, Headmaster

Volume 16 Issue 2 August 12, 2022

Upcoming Events

From the Headmaster

Our first two days have been great as we welcomed new and returning students. Their smiling faces have been inspirational to all. The staff and I wish each of you a great year!

AST Planners

We have a few Academy planners for purchase. You may pre-pay using School Cash then come by the office to pick up your planner. Plan for Success! You may purchase a planner for \$10 using the following link:

<https://conroeisd.schoolcashonline.com/Fee/Details/33647/195/False/True> . Be sure to enter the **student's name**, and not the parent's name.

Sept 2

AST Donut Day Coffee w Headmaster Video

All Academy Picnic and Awards Ceremony

This year we will pilot the combination of the Academy Picnic with the Awards Ceremony. Parents and students will be able to pick up the logo items ordered and visit tables that display the various Research and Problems activities the Academy offers. Additionally, we will present patches and recognize students who have earned all 14.0 exploration credits and present the junior awards.

The picnic will be September 17 from 10am – 1pm in the Commons.

Please bring a food item to share with others (review the flyer).

Sept 10

SAT practice test

Sept 12

Regeneron Science Talent Search 2023 (Seniors only)

The Regeneron STS is the nation's oldest and most prestigious science competition for high school seniors. Alumni have made extraordinary contributions to science and have earned many of the world's most distinguished science and math honors, including thirteen Nobel Prizes. Students who are interested in applying must submit an original, independent research project centered in science, mathematics, or engineering. The application includes essays, Research Report, recommendations and transcripts, and test scores. **The deadline is November 9, 2022, at 8pm EST.** For more information go to societyforscience.org/regeneron-sts/ The top 300 scholars will be announced early January 2023; the top 40 Finalists announced mid-January 2023.

Sciences Scholarship Competition for **high school and undergraduate students**. The program is entering its 10th year?!

“We’re continuously impressed by the highly quality submissions we receive ranging in topics from marine/ ocean engineering to oil & chemical spill remediation and everything in between. We are proud to have had past student participants and scholarship award recipients from Rice University, Stamford, NYU, Webb Institute, California State University, Columbia, and even the Academy of Science & Technology High School, among others.”

! For more information and to apply students should visit: <http://www.americansalvage.org/marine-science-scholarship-competition.html>

Winning students will receive:

- A monetary scholarship award to continue their education and research.
- All winners are invited to New York City (travel and accommodations paid by the ASA & NAMEPA) to accept their award at NAMEPA’s Annual Conference & Awards Dinner in October of 2022.

In the past, this has proven most beneficial, giving young researchers an opportunity to speak about their work and network with leading marine, maritime, and oil & gas industry representatives from scientists to regulatory authorities, corporate executives to global advocacy groups, and so much more! **The submission deadline is September 14th, 2022. The Academy has had many winners over the years and enjoyed a paid trip to New York City to receive the award.**

College Testing

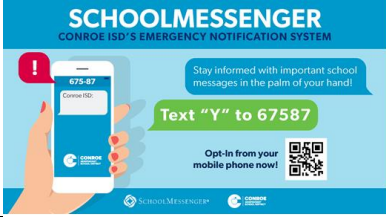

Please check College Board and ACT for any updates to testing.
